A GOOD OMEN. - President George F. Eaer, of the Philadelphia and Reading Railroad Company, yesterday took action which is thought to indicate that the end of the strike of the anthracite miners is in sight. At his direction the sales agent of the Reading Coal and Iron Company offered the board of education Philadelphia 3,000 tons of coal at \$5.95 a ton, delivered, for use in the public schools. This price, it was stated was based on the circular prices that were intended to prevail in September before it was known that there would be a strike. It is thought in Philadelphia that Mr. Baer would not deprive his road of a commodity that is so essential to its interests if he was not pretty certain that in the near future the strike would terminate, and that his company would have plenty of anthra-cite coal. Dealers in Philadelphia have little coal. Dealers in Prinadelpha har-little coal on hand. The price has gone to \$12.50 a ton. Had it not been for the Reading Company coming to the relief of the board of education, there was a prospect that the schools of the city would have had to close soon.

Slow Starvation

Kodol is the sensible remedy. By digesting what you eat it strengthens the body and at the same time rests the stomach. This rest soon restores perfect health. Cathartics and stimulants only reach the symptoms. Kodol cures. It is Nature's tonic.

Five years ago a disease the doctors called dyspepsia took such a hold on me that I could scarcely go. I took quantities of pepsin and other medicines, but nothing helped me. As a drowning man grasps at a straw I grabbed at Kodol. I felt an improvement at once, and after a few bottles am sound and well. George S. Marsin, Attorney-at-Law, Nocona, Tex.
